New Stories New Audiences open for applications

We're pleased to open applications for our New Stories New Audiences grants, inspiring small museums to stay relevant to your audiences and to increase your impact by identifying new stories and working with a new partner, to work differently and try something new.

Funded by National Lottery Heritage Fund, New Stories New Audiences is open to all AIM members in the small museum category (up to 20,000 visitors). AIM members in England, Scotland, Wales and Northern Ireland are all eligible to apply.

The closing date for applications isn't until 31 October 2022, but we're hosting a workshop for potential applicants at 11am on Wednesday 22 June. This is an opportunity to find out if this grant scheme is right for you, ask your questions and get initial feedback on your project idea.
