

E-bulletin Issue 8 - EXTRACTS

Disclosure and Barring Service Duty to Refer Events

The Disclosure and Barring Service have developed free events targeted at employers and managers who have responsibility for removing individuals from regulated activity posts where harm has, or may, occur, with special emphasis on the barring functions of the DBS.

They'll provide detailed guidance on the duty to refer, submission of referrals and the information required to support a referral to the DBS.

Please see their website for more details and to book a place:
