Resilient Heritage Fund

Deadline: Apply anytime

Resilient Heritage grants of £3,000-£250,000 can help you to strengthen your organisation, and build the capacity of your staff and volunteers to better manage heritage in the long term.

This programme is available to organisations in the UK who want to build their capacity or achieve strategic change to improve the management of heritage. Grants can fund activities to help you acquire new skills or knowledge, or new models of governance, leadership and business to put your organisation in a better position for the future. Organisations in the early stages of planning their activities may also apply.

Whether you're facing challenges around income and fundraising, or preparing to take on new forms of investment, such as social investment, Resilient Heritage can support these processes.
